Subject: **Details based on new Career Framework**

Dear Kranthi

As previously communicated, DST is implementing a new Career Framework to make career planning and job movement easier across the organization and across the globe. Below please find your India business title, Workday title, career track and level that aligns with the Career Framework.

You will see your details reflected in Workday on 7 January 2018. Please note that incentive information will be visible after 15 April 2018.

India Business Title: **SeniorTest Engineer**

Workday Title: **Software QA Engineer**

Career Track: **Professional**

Level: **P2**

Effective Date: **1 January 2018**

Compensation Component	Currency	Current	New	Change %
AGP	INR	748016	748016	0%
Short-Term Incentive Target (%)		2.8%	5.0%	
STI Target INR	INR	21000	37401	
Total Target Compensation (TTC)	INR	769016	785417	2%

Employees have the opportunity to earn a short-term incentive (STI) payout based on threshold, target and maximum opportunity levels (50% of target value, target value and 150% of the target value of AGP) if the company achieves its minimum goals. Short-term incentive payouts may be adjusted due to personal and company or department performance, and are administered at the complete discretion of the Compensation Committee of the Board of Directors. The Company will honour any statutory bonus payout as applicable.

Any questions in your title or level should be directed to your manager. More details about Career Framework including titles, levels and incentives can be found on DST Connect under My Money > Compensation & Rewards > [Career Framework](#).
