Overview

The Accumulator component provides customers with the opportunity to establish and maintain limits for how much a member is required to pay and how much the benefit plan will pay over a defined period of time. Each plan limit is based on deductible, maximum out-of-pocket, maximum paid by plan, and lifetime maximums for commercial plans. Part D phases include deductible, initial coverage, and coverage gap limits. The Accumulator application is accessed internally to set up the specific accumulators along with the various limits that may apply. It can be viewed both internally and externally to allow users to view a member's current plan balances, number of scripts, and dates the member may have met a limit.

Definitions

The Accumulator application enables a user to establish a single Accumulator ID containing multiple plan limits for accumulation. Plan limits are based on deductible, maximum out-of-pocket, maximum paid by plan, lifetime maximum paid by plan, initial coverage, and coverage gap. The primary function of the Accumulator system is to establish the amount owed by the member and the amount covered by the plan for processed claims.

- **Deductible Types:** Below are the deductible types.
 - Standard Deductible (DED): Member dollars (100% claim cost) accumulate toward Individual and/or Family Limits. When the limit is met, the plan will pay a portion of the claim.
 - Maximum Out-of-Pocket (MOP): Member dollars (copay/coinsurance) accumulate toward individual and/or family limits. When the limit is met, the plan will pay 100% of the claim.
 - Maximum Paid by Plan (MPP): Plan paid dollars accumulate toward individual and/or family limits. When the limit is met, the plan will NOT pay any portion of the claim.
 - Lifetime Maximum Paid by Plan (LFE): Plan paid dollars accumulate toward an individual limit for an unlimited time period. When the limit is met, the plan will NOT pay any portion of the claim.
 - Maximum Number of Scripts (SCR): Scripts accumulate toward individual and/or family limit. When the limit is met, the plan will NOT pay any portion of the claim.
 - Deductible (Part D) (DD1): Total claim dollars accumulate toward an individual limit.
 - Initial Coverage (Part D) (IC1): Total claim dollars accumulate toward an individual limit.
 - Coverage Gap (Part D) (CG1): True Out-of-Pocket (TrOOP) and Other Qualified Payer dollars accumulate toward an individual limit.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

In addition to the accumulation functionality, the Accumulator application provides the following additional functions:

- Manual Pre-Load- Allows a user to load accumulator dollar amounts manually.
- Clear and Build- Allows a user to clear member and plan accumulations and rebuild the accumulations based on the current Accumulator ID.
- Batch Rollover- Provides the ability to rollover current accumulator dollar amounts from a previous benefit period to the next.

Accumulators can be set up at three levels for processing.

- Coverage Code
- Group
- Member

Objectives

After reviewing this guide users will be able to:

- Access the Accumulator application
- Navigate within the Accumulator application
- Recognize the functions within the Accumulator application
- Perform a Search for an Accumulator component
- Add a new Accumulator component
- Update an Accumulator component
- Identify the impact of the Accumulator application to other RxNova™ Applications

This training manual addresses the uses for:

- Accumulator
 - Search
 - Add
 - Update
 - Process
 - Manual Preload
 - Batch Rollover
 - Clear and Build
 - Mass Change
 - Reporting

Accessibility

Access Through Integrated Desktop

The Accumulator application can be accessed from the Integrated Desktop loaded on the user's computer. A User must be authorized to view, add, and update an Accumulator record for an identified customer.

To access the application through the Integrated Desktop, follow the steps below:

1. Click the **ARGUS RxNOVA** icon on the computer desktop.

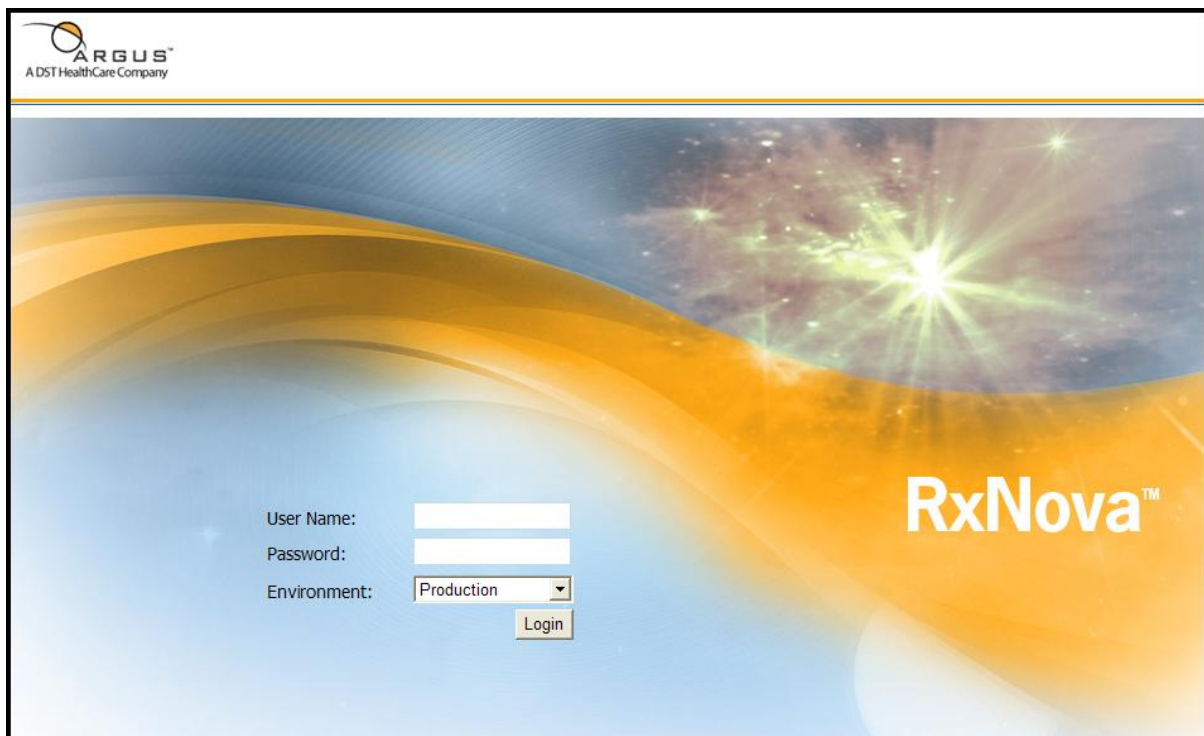

Argus RxNova

2. Enter the **USER NAME**.
3. Enter the **PASSWORD**

Note: A user's Legacy User Name and Password will provide access to both RxNova™ and Legacy applications through the RxNova™ Integrated Desktop.

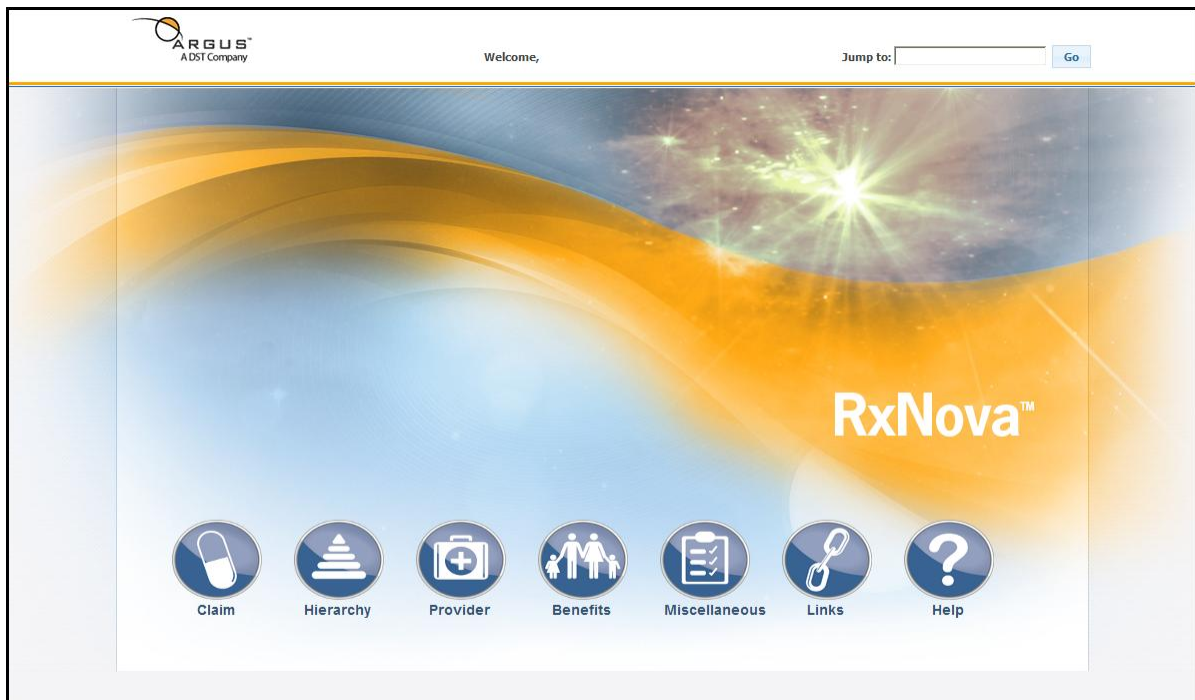

4. Select the **ENVIRONMENT** drop-down menu and choose an environment from the list.
5. Click the **LOGIN** button.

The image shows the RxNova login interface. At the top left is the ARGUS logo with the text "A DST HealthCare Company". The background is a vibrant, abstract design with orange and blue waves and a bright starburst effect. On the right side, the text "RxNova™" is displayed in a large, white font. In the lower-left area, there are three input fields: "User Name:" followed by a text box, "Password:" followed by a text box, and "Environment:" followed by a dropdown menu currently showing "Production". Below these fields is a "Login" button.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The Integrated Desktop homepage will display. All RxNova™ applications and Legacy applications are available (based on the user's security access) by selecting an icon representing the following groups:

- Claim
 - Hierarchy
 - Provider
 - Benefits
 - Miscellaneous
6. Hover the mouse over the **BENEFITS** application-grouping icon to access the menu of the available applications.

7. **Select the Accumulator application from the list.**

Access Through MyArgus Landing Page

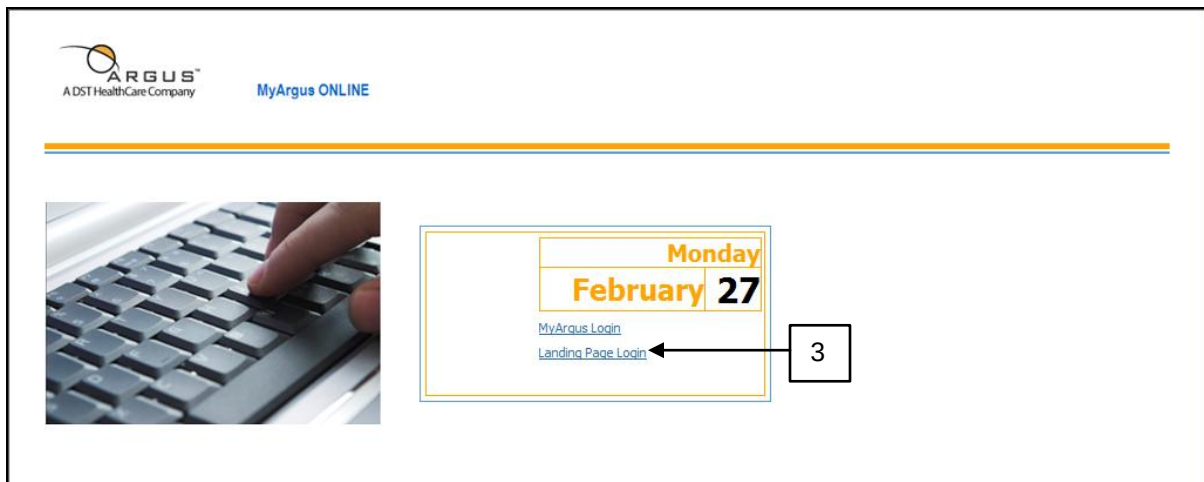

The Accumulator application can be accessed on the MyArgus homepage of the Argus Health Systems website. A User must be authorized to view, add, and update an Accumulator record for an identified customer.

To access the system follow the steps below:

1. Go to URL <https://beta.argushealth.com>
2. Click **MYARGUS LOGIN** button to access system.

3. Select the **LANDING PAGE LOGIN** link to access the Landing Page.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The **ARGUS SSO LOGIN** page is shown.

4. Enter the **USERNAME**.
5. Enter the **PASSWORD**.
6. Click the **LOGIN** button.

Search

The Accumulator application allows the user to search for Accumulator IDs using a variety of criteria. To search for Accumulators follow the steps below:

From the **ACCUMULATOR HOME** page:

1. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
2. Enter an **ID** (optional).
3. Enter a **NAME** (optional)
4. Enter an **EXTERNAL ID** (optional)
5. Select the **STATUS** drop-down menu and choose a status from the list (optional)
6. Select the **ADVANCED SEARCH FIELDS** link

The screenshot shows the ARGUS ADST Company web application interface. At the top is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' search box with a 'Go' button. The main content area has a breadcrumb trail 'Home > Accumulator Home' and links for 'Browse Requests' and 'Close Window'. A tabbed interface is present with 'Accumulator Home' selected, followed by 'Mass Change', 'Reporting', and 'Processes'. On the right of the 'Accumulator Home' tab is a 'New' button. The search form on the left contains the following fields and callouts:

- Callout 1 points to the 'Benefit customer set:' drop-down menu.
- Callout 2 points to the 'ID:' text input field.
- Callout 3 points to the 'Name:' text input field.
- Callout 4 points to the 'External ID:' text input field.
- Callout 5 points to the 'Status:' drop-down menu.
- Callout 6 points to the 'Advanced Search Fields' link.

At the bottom of the search form are 'Search' and 'Reset' buttons.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The **ADVANCED SEARCH FIELDS** will be displayed. These fields are optional and can narrow the search parameters.

7. Enter any **ADVANCED SEARCH FIELDS** desired.

8. Click the **SEARCH** button

The screenshot shows a web interface titled "Advanced Search Fields". On the left, there is a vertical list of search criteria, each with a text input or dropdown menu: "Accumulator type:", "Individual limit:", "Family limit:", "Medical/Rx:", "In/Out Network:", "Retail/Mail order:", "Brand/Generic:", and "Sub status:". Below these is a "Tags:" section with a text input and an "Add" button. At the bottom of the left column is a table with a header row containing a checkbox and the text "Tag Name", and a single row containing the text "No records found.". To the right of the table is a "Remove" button. At the very bottom of the left column are two buttons: "Search" and "Reset".

Annotation 7 is a box containing the number "7" with an arrow pointing to the "In/Out Network:" dropdown menu.

Annotation 8 is a box containing the number "8" with an arrow pointing to the "Search" button.

9. Select the checkbox for the Accumulator **ID** to be viewed.
10. Click the **VIEW SELECTED** button.

14. Select the **TAGS/NOTES** tab.

The screenshot shows the ARGUS ADST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. The breadcrumb trail indicates the user is in 'Accumulator Home > Accumulator'. On the right, there are links for 'Browse Requests' and 'Close Window'. The main content area displays information for a specific accumulator: 'Benefit customer set: RxNova', 'ID: AMTR000003', 'Name: Training Accumulator 003', and 'Status: Ready for Use'. Below this information is a tabbed interface with tabs for 'Header', 'Details', 'Priority', 'Tags/Notes', and 'Associations'. The 'Priority' tab is currently selected. A box with the number '14' and an arrow points to the 'Tags/Notes' tab. The 'Accumulator Priority' section contains two tables: 'Part D: Accumulator Types' and 'Commercial accumulator priority: Accumulator Types'. The 'Straddle Claim Rules' section contains a table with columns: From, To, Rule, Condition, and True/False.

From	To	Rule	Condition	True/False
DED - Deductible (Commercial)	MPP - Maximum Paid by Plan	Pay as Over		
MPP - Maximum Paid by Plan	MOP - Maximum Out of Pocket	Pay as Over		

The **TAGS/NOTES** tab displays showing any notes associated to the component.

15. Select the **ASSOCIATIONS** tab.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with the ARGUS logo and a menu with options: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the navigation bar, there is a "Welcome," message and a "Jump to:" field with a "Go" button. The main content area displays the "Accumulator" tab, which is highlighted. The "Accumulator" tab shows the following information:

Benefit customer set:	ID:	Name:	Status:
RxNova	AMTR000003	Training Accumulator 003	Ready for Use

Below the table, there are two tabs: "Tags/Notes" and "Associations". The "Tags/Notes" tab is currently selected, and it displays a "Notes" section with a text area and a "Tags" section with a table. The "Tags" table has a header "Tag Name" and a row with the text "No records found.".

A callout box with the number "15" and an arrow points to the "Associations" tab, indicating the next step in the process.

The **ASSOCIATIONS** tab displays showing the member, groups or coverage code to which the component is associated.

16. Select the **ACCUMULATOR HOME** link to return to the home page.

The screenshot shows the ARGUS A DST Company web application. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. A box with the number 16 and an arrow points to the 'Accumulator Home' link in the breadcrumb navigation: [Home](#) > [Accumulator Home](#) > [Accumulator](#). The main content area displays a summary of the benefit customer set (RxNova) with the following details:

Benefit customer set:	ID:	Name:	Status:
RxNova	AMTR000003	Training Accumulator 003	Ready for Use

Below the summary, there is a table with tabs: Header, Details, Priority, Tags/Notes, and Associations. The 'Associations' tab is selected, showing a table with the following data:

Application	ID	Status	Start Date	End Date
Coverage Code	244132	Ready for Use	07/01/2013	06/30/2014

At the bottom of the table, it says 'Total results: 1'.

Add

The Accumulator application allows the user to add Accumulator options. To add Accumulator rules, follow the steps below:

From the **ACCUMULATOR HOME** page:

1. Click the **NEW** button.

The screenshot displays the ARGUS ADST Company web application interface. At the top, there is a navigation bar with a logo on the left and a series of dropdown menus: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the navigation bar, a 'Welcome,' message is followed by a 'Jump to:' search box and a 'Go' button. The main content area features a breadcrumb trail 'Home > Accumulator Home' and two links: 'Browse Requests' and 'Close Window'. A horizontal tab bar contains four tabs: 'Accumulator Home' (selected), 'Mass Change', 'Reporting', and 'Processes'. On the right side of this tab bar, a 'New' button is highlighted with a black box containing the number '1' and an arrow pointing to it. Below the tab bar, there is a form for adding a new accumulator option. The form includes a 'Benefit customer set:' dropdown menu, an 'ID:' field with a small 'AM' icon, a 'Name:' text field, an 'External ID:' text field, and a 'Status:' dropdown menu. At the bottom of the form, there is a link for 'Advanced Search Fields' and two buttons: 'Search' and 'Reset'.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

2. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
3. Click the **NEXT** button.

The screenshot displays the ARGUS A DST Company web application. At the top, there is a navigation bar with menu items: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. The main content area has a breadcrumb trail: Home > Accumulator Home. On the right, there are links for 'Browse Requests' and 'Close Window'. A tabbed interface shows 'Accumulator Home' as the active tab, with other tabs for 'Mass Change', 'Reporting', and 'Processes'. A 'New' button is located in the top right corner of the main content area. On the left, there is a form for 'Benefit customer set:' with fields for ID (containing 'AM'), Name, External ID, and Status. Below these fields are 'Advanced Search Fields' with 'Search' and 'Reset' buttons. In the center, a modal dialog box is open, showing the 'Benefit customer set:' dropdown menu with 'RxNova' selected. A callout box with the number '2' points to the dropdown menu, and another callout box with the number '3' points to the 'Next' button in the dialog.

26. Enter the **NUMBER OF MONTHS** (dependent on previous selection).
27. Select the **RENEWAL BASIS** drop-down menu and choose an option from the list.
28. Select the **COST APPLIED** drop-down menu and choose an option from the list.
29. Select the **APPLY IN/OUT** drop-down menu and choose an option from the list.
30. Enter the **ROLLOVER FREQUENCY**.
31. Enter the **ROLLOVER LIMIT** (dependent on previous selection).
32. Select the **AVAILABLE MEMBER DOLLARS** to apply to the accumulator (only applies to DED and MOP).
33. Click the arrow button.

The screenshot displays the 'Rules' section of the RxNova software interface. The fields and their corresponding callout numbers are as follows:

- 25**: Points to the 'Accumulation renewal' dropdown menu, which currently shows 'Benefit Period'.
- 26**: Points to the 'Number of months' text input field.
- 27**: Points to the 'Renewal basis' dropdown menu, which currently shows 'Benefit Period Begin Date'.
- 28**: Points to the 'Cost applied' dropdown menu, which currently shows 'Allowed Claim Amount'.
- 29**: Points to the 'Apply in/out' dropdown menu, which currently shows 'None'.
- 30**: Points to the 'Rollover frequency' text input field.
- 31**: Points to the 'Rollover limit' text input field, which is preceded by a dollar sign (\$).
- 32**: Points to the 'Available member dollars' list, which includes options like Copay, Coinsurance, Processor Fee, Sales Tax, Network Penalty, Brand Penalty (MPD), and Non-Preferred Penalty.
- 33**: Points to the right-pointing arrow button located between the 'Available member dollars' list and the 'Member dollars applied to accumulator' list.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

34. Select the **APPLY PLAN DOLLARS** drop-down menu and choose an option from the list.
35. Select the **APPLY OTHER PAYER AMOUNTS** drop-down menu and choose an option from the list.
36. Select the **CHARGE BRAND PENALTY (MPD) AFTER LIMIT IS MET** drop-down menu and choose an option from the list.
37. Select the **APPLY DED TO MOP** drop-down menu and choose an option from the list (*only applies to DED*).
38. Select the **DED MET IF MOP MET** drop-down menu and choose an option from the list (*only applies to DED*).
39. Enter the **MPP INDIVIDUAL PERCENTAGE**.
40. Enter the **MPP FAMILY PERCENTAGE**.
41. Click the **INSERT** button.

The screenshot shows a software form with the following fields and callouts:

- 34** points to the **Apply plan dollars:** drop-down menu.
- 35** points to the **Apply other payer amounts:** drop-down menu.
- 36** points to the **Charge brand penalty (MPD) after limit is met:** drop-down menu.
- 37** points to the **Apply DED to MOP:** drop-down menu.
- 38** points to the **DED met if MOP met:** drop-down menu.
- 39** points to the **MPP individual percentage:** text input field.
- 40** points to the **MPP family percentage:** text input field.
- 41** points to the **Insert** button.

At the bottom of the form are three buttons: **Previous**, **Next**, and **Cancel**.

42. Click the **NEW ACCUMULATOR** button to add additional accumulators.

43. Click the **NEXT** button if all accumulators have been added.

Update

The Accumulator application allows the user to update the Accumulator details. To update the Accumulators, follow the steps below.

From the **ACCUMULATOR HOME** page:

1. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
2. Enter the component **ID** (optional).
3. Enter the component **NAME** (optional).
4. Enter the **EXTERNAL ID** (optional).
5. Select the **STATUS** drop-down menu and choose a status from the list (optional).
6. Click the **SEARCH** button.

The screenshot shows the ARGUS ADST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. On the right, there are links for 'Browse Requests' and 'Close Window'. The main content area has a tabbed interface with 'Accumulator Home' selected. The 'Accumulator Home' tab contains a form with the following fields: 'Benefit customer set:' (a dropdown menu), 'ID:' (a text field with a small 'AM' icon), 'Name:' (a text field), 'External ID:' (a text field), and 'Status:' (a dropdown menu). Below these fields are 'Advanced Search Fields' and two buttons: 'Search' and 'Reset'. Numbered boxes 1 through 6 are overlaid on the form with arrows pointing to the corresponding fields: 1 points to the 'Benefit customer set:' dropdown, 2 points to the 'ID:' text field, 3 points to the 'Name:' text field, 4 points to the 'External ID:' text field, 5 points to the 'Status:' dropdown, and 6 points to the 'Search' button.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The **HEADER** of the Accumulator will display.

7. Click the **MAKE UPDATES** button.

The screenshot displays the ARGUS A DST Company web application. At the top, there is a navigation bar with dropdown menus for Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' search box with a 'Go' button. The main content area shows a breadcrumb trail: Home > Accumulator Home > Accumulator. To the right of the breadcrumb are links for 'Browse Requests' and 'Close Window'. Below the breadcrumb, a summary row displays: Benefit customer set: RxNova, ID: AMTR000003, Name: Training Accumulator 003, and Status: Ready for Use. A tabbed interface follows, with 'Header' selected. The 'Header' tab contains a table with one row. The table has columns for 'Benefit customer set', 'ID', 'Name', 'External ID', 'Exclude from accumulation', and 'Status'. The row contains the following data: RxNova, AMTR000003, Training Accumulator 003, 123456789012, No, and Ready for Use. To the right of the table are buttons for 'Report', 'Copy', and 'Delete'. Above the 'Make Updates' button, there is a box with the number '7' and an arrow pointing to the button. The 'Make Updates' button is located at the bottom right of the table area.

The Accumulator application allows the user to request mass updates. To create a Mass Change request, follow the steps below.

Search a Mass Change Request

From the **ACCUMULATOR HOME** page:

1. Select the **MASS CHANGE** tab

The screenshot shows the ARGUS ADST Company Accumulator Home page. The top navigation bar includes links for Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this, a 'Welcome,' message and a 'Jump to:' field with a 'Go' button are visible. The main content area features a tabbed interface with 'Accumulator Home', 'Mass Change', 'Reporting', and 'Processes'. The 'Mass Change' tab is selected and highlighted with a box containing the number '1'. Below the tabs, there is a 'New' button and a search form. The search form includes fields for 'Benefit customer set:', 'ID:', 'Name:', 'External ID:', and 'Status:', each with a corresponding input field or dropdown. A 'Search' button is located at the bottom of the form, along with a 'Reset' button. The 'Advanced Search Fields' link is also present.

2. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
3. Enter any search criteria needed.
4. Click the **SEARCH** button.

The screenshot displays the ARGUS ADST Company web application. The top navigation bar includes links for Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. A 'Jump to:' field with a 'Go' button is also present. Below the navigation bar, the 'Accumulator Home' page is shown with tabs for Accumulator Home, Mass Change, Reporting, and Processes. The 'Mass Change' tab is active. On the left side, there is a search criteria form with the following fields: 'Benefit customer set:' (a drop-down menu), 'Request name:' (a text input), 'Request type:' (a drop-down menu), 'Request status:' (a drop-down menu), 'Run status:' (a drop-down menu), 'Created By' (with 'Last name:' and 'First name:' text inputs), and 'Created Range' (with 'From date:' and 'To date:' text inputs). At the bottom of the form are 'Search' and 'Reset' buttons. Three numbered callouts are present: '2' points to the 'Benefit customer set:' drop-down menu, '3' points to the 'Run status:' drop-down menu, and '4' points to the 'Search' button.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The Request page will display with details of the Mass Change request.

5. Select the **DETAILS** tab.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this, a 'Welcome,' message and a 'Jump to:' field with a 'Go' button are visible. The main content area has a breadcrumb trail: Home > Accumulator Home > Mass Change. A box with the number 5 points to the 'Details' tab in the 'Request' section. The 'Request' section also includes 'Request' and 'Run History' tabs. Below the tabs, there are dropdown menus for 'Action' and 'Reporting', and a 'Make Updates' button. The main content area displays the following information:

- Benefit customer set:** Training CBVS
- Request name:** Mass Change Update Data for Training
- Request type:** Update Data
- Request status:** Preliminary
- Description:** This is a training example for Mass Change Data Update.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The Mass Change Request details will be displayed.

6. Select the **RUN HISTORY** tab.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with dropdown menus for Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. The breadcrumb trail shows 'Accumulator Home' and 'Mass Change'. A box with the number '6' points to the 'Run History' tab in the main navigation area. The 'Run History' tab is active, and the page displays a 'Mass Change Detail Summary' for component AMTR000001. The summary includes a 'DED - Deductible (Commercial) Section' and a 'Training DED Commercial' section with the following details: Individual limit to: \$1,100.00, In/Out Network to: All, Apply DED to MOP to: Yes, and Member dollars applied to accumulator to: Coinsurance, Copay, Sales Tax. There are 'Add' and 'Find' buttons under 'Component', and a 'Find And Update' button under 'Entries'. At the bottom right, there are 'Update' and 'Delete' buttons.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The **RUN HISTORY** for the Mass Change Request will display.

7. Click the **CLOSE** button to return to the home page.

Add a Mass Change Request – Update Data

From the **ACCUMULATOR HOME** page:

1. Select the **MASS CHANGE** tab.

The screenshot displays the ARGUS ADST Company web application interface. At the top, there is a navigation bar with the company logo and a menu containing: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the menu, a 'Welcome,' message and a 'Jump to:' search box with a 'Go' button are visible. The main content area features a breadcrumb trail 'Home > Accumulator Home' and two links: 'Browse Requests' and 'Close Window'. A tabbed interface is present with four tabs: 'Accumulator Home', 'Mass Change', 'Reporting', and 'Processes'. The 'Mass Change' tab is highlighted, and a box with the number '1' and an arrow points to it. Below the tabs, there is a 'New' button and a search form. The search form includes fields for 'Benefit customer set:', 'ID:', 'Name:', 'External ID:', and 'Status:', each with a dropdown menu. The 'ID:' field has a small 'AM' icon to its left. Below these fields is a link for 'Advanced Search Fields' and two buttons: 'Search' and 'Reset'.

5. Enter a **TRACKING ID**.
6. Enter a **REASON** (optional).
7. Enter **NOTES** (optional).
8. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
9. Enter a **REQUEST NAME**.
10. Enter a **DESCRIPTION**.
11. Click the **NEXT** button.

The screenshot shows the ARGUS A DST Company interface. The top navigation bar includes links for Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. The main content area is titled 'Accumulator Home > Mass Change' and includes links for 'Browse Requests' and 'Close Window'. The form itself has three tabs: 'Request' (selected), 'Details', and 'Run History'. The 'Request' tab contains several input fields and a 'Reporting' dropdown menu. Numbered callouts point to specific fields: 5 points to the 'Tracking ID' field, 6 points to the 'Reason' field, 7 points to the 'Notes' field, 8 points to the 'Benefit customer set' dropdown menu, 9 points to the 'Request name' field, 10 points to the 'Description' field, and 11 points to the 'Next' button. The 'Request type' is set to 'Update Data' and the 'Request status' is 'Pending'. At the bottom of the form, there are fields for 'Created by:', 'Created date:', 'Created time:', 'Last maintenance user:', 'Last maintenance date:', and 'Last maintenance time:'.

12. Click the **ADD** button.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with a logo on the left and a menu of dropdown items: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the menu, a 'Welcome,' message is displayed on the left, and a 'Jump to:' field with a 'Go' button is on the right. A breadcrumb trail reads 'Home > Accumulator Home > Mass Change'. To the right of the breadcrumb are links for 'Browse Requests' and 'Close Window'. Below the breadcrumb is a tabbed interface with 'Request', 'Details', and 'Run History' tabs. The 'Details' tab is active. In the top right of the main content area are buttons for 'Previous', 'Save', and 'Cancel'. The main content area is split into two panels. The left panel, titled 'Selection Criteria', contains a 'Component' section with 'Add' and 'Find' buttons. The 'Add' button is highlighted with a black box containing the number '12'. A 'Next' button is also present in this panel. The right panel, titled 'Mass Change Detail Summary', is currently empty. At the bottom of the right panel are 'Update' and 'Delete' buttons.

13. Enter a Accumulator **COMPONENT** ID.

14. Click the **INSERT** button.

The screenshot displays the ARGUS A DST Company web application interface. At the top, there is a navigation bar with a menu containing: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this, a "Welcome," message and a "Jump to:" field with a "Go" button are visible. The main content area shows a breadcrumb trail: "Accumulator Home > Mass Change". On the right side of this area are links for "Browse Requests" and "Close Window". The central part of the screen features a "Request" tab and a "Details" sub-tab. Below the tabs is a "Run History" section. A "Previous" button, a "Save" button, and a "Cancel" button are located to the right of the "Run History" section. The "Add Components" dialog box is open, showing a "Selection Criteria" section on the left with "Component" selected and "Add" and "Find" buttons. The main area of the dialog is titled "Add Components" and contains a list of input fields, each preceded by an "AM" icon. The first field contains "TR000001". A box labeled "13" points to this first field. Below the list is a "More Rows" button. At the bottom right of the dialog are "Insert" and "Close" buttons. A box labeled "14" points to the "Insert" button.

25. Click the **SAVE** button.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with a logo and a menu with items: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the menu is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. On the right side of the header, there are links for 'Browse Requests' and 'Close Window'. The main content area has a breadcrumb trail: 'Accumulator Home > Mass Change'. Below this is a tabbed interface with 'Request', 'Details', and 'Run History' tabs. The 'Details' tab is active. In the top right of the details section, there are 'Previous', 'Save', and 'Cancel' buttons. The 'Save' button is highlighted with a box containing the number 25, and an arrow points to it. The main content area is divided into two sections: 'Selection Criteria' on the left and 'Mass Change Detail Summary' on the right. The 'Selection Criteria' section has a 'Component' section with 'Add' and 'Find' buttons, and an 'Entries' section with a 'Find And Update' button. The 'Mass Change Detail Summary' section shows a tree view with a selected item 'AMTR000001' under 'DED - Deductible (Commercial) Section'. Below it, there is a 'Training DED Commercial' section with details: 'Individual limit to: \$1,100.00', 'In/Out Network to: All', 'Apply DED to MOP to: Yes', and 'Member dollars applied to accumulator to: Sales Tax, Copay, Coinsurance'. At the bottom of the summary section, there are 'Update' and 'Delete' buttons.

26. Select the **ACTION** drop-down menu and choose an action from the list.

27. Select the **REPORTING** drop-down menu and choose a report from the list.

The screenshot shows the ARGUS ADST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a welcome message and a 'Jump to:' field with a 'Go' button. A green banner at the top of the main content area displays the message: 'The information entered was successfully saved.' Below the banner, there are tabs for 'Request', 'Details', and 'Run History'. The 'Request' tab is active. In the 'Request' tab, there are two drop-down menus: 'Action' (labeled 26) and 'Reporting' (labeled 27). The 'Action' menu is open, showing 'Benefit custd' and 'Request nam'. The 'Reporting' menu is open, showing 'Training CBVS' and 'Mass Change Update Data for Training'. Below these menus, there are fields for 'Request type:' (Update Data) and 'Request status:' (Pending). A 'Description:' field contains the text: 'This is a training example for Mass Change Data Update.' Below the description, there are fields for 'Tracking ID:' (21611), 'Reason:' (Training), and 'Notes:' (Training Example). At the bottom, there are fields for 'Created by:' (Mikki Coggs), 'Created date:' (08/29/2013), 'Created time:' (01:38 PM), 'Last maintenance user:' (Mikki Coggs), and 'Last maintenance date:' (08/29/2013). A 'Make Updates' button is located in the top right corner of the form area.

The system will display a message that the request has been submitted.

28. Select the **ACCUMULATOR HOME** link to return to the home page.

The screenshot displays the ARGUS A DST Company web application. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this, a "Welcome," message is visible, followed by a "Jump to:" search box and a "Go" button. A box with the number "28" and an arrow points to the "Accumulator Home" link in the breadcrumb navigation: Home > Accumulator Home > Mass Change. A green message bar states: "The request was successfully submitted." Below this, there are tabs for "Request", "Details", and "Run History". Under the "Request" tab, there are dropdown menus for "Action" and "Reporting", and a "Make Updates" button. The main content area shows the following details:

- Benefit customer set: Training CBVS
- Request name: Mass Change Update Data for Training
- Request type: Update Data
- Request status: Preliminary
- Description: This is a training example for Mass Change Data Update.

Add a Mass Change Request – Import

From the **ACCUMULATOR HOME** page:

1. Select the **MASS CHANGE** tab.

The screenshot displays the ARGUS ADST Company web application interface. At the top, there is a navigation bar with the company logo and a menu with items: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the menu, a 'Welcome,' message and a 'Jump to:' field with a 'Go' button are visible. On the left, a breadcrumb trail shows 'Accumulator Home'. The main content area features a tabbed interface with four tabs: 'Accumulator Home', 'Mass Change', 'Reporting', and 'Processes'. The 'Mass Change' tab is currently selected, indicated by a blue highlight and a box with the number '1' and an arrow pointing to it. To the right of the tabs is a 'New' button. Below the tabs, there is a search form with the following fields: 'Benefit customer set:' (a dropdown menu), 'ID:' (a text field with a small 'AM' icon), 'Name:' (a text field), 'External ID:' (a text field), and 'Status:' (a dropdown menu). Below these fields is a link for 'Advanced Search Fields' and two buttons: 'Search' and 'Reset'. On the far right, there are links for 'Browse Requests' and 'Close Window'.

This is a training example for Mass Change Data Update.

Report

The Accumulator application allows the user to report on Accumulator types using a variety of criteria. To create an Accumulator report follow the steps below.

From the **ACCUMULATOR HOME** page:

1. Select the **REPORTING** tab.

The screenshot shows the ARGUS ADST Company Accumulator Home page. The navigation bar at the top includes tabs for Accumulator Home, Mass Change, Reporting, and Processes. The 'Reporting' tab is highlighted and labeled with a '1' and an arrow. Below the tabs is a search form with fields for Benefit customer set, ID, Name, External ID, and Status. There are also buttons for Search and Reset.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

2. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
3. Select the **REPORT TYPE** drop-down menu and choose an option from the list.
4. Select the **REPORT FORMAT** drop-down menu and choose an option from the list.
5. Enter a **REPORT NAME**.
6. Click the **REPORT** button.

The system will display a message that the report was submitted.

7. Select the **BROWSE REQUESTS** link.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

A list of report requests will be displayed.

8. Click the **FILE** icon.

The screenshot shows the ARGUS Accumulator Home interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a welcome message and a 'Jump to:' field. The main content area has a breadcrumb trail: Home > Accumulator Home. A green notification bar states: 'The report was successfully submitted'. Below this is a tabbed interface with 'Reporting' selected. The 'Reporting' tab contains a 'Report' button and a 'Reset' button. Below these are three dropdown menus: 'Benefit customer set:' (RxDNova), 'Report type:' (Accumulator Full Detail), and 'Report format:' (PDF). Below these is a 'Browse Requests' section with a 'Request type:' dropdown and a 'Refresh' button. A table displays the results:

	Submitted		Customer Set	Name	Type	Status	File	Start D
	Date	Time						
☐	08/27/2013	12:46 PM	RxDNova	Accumulator Detail Report	Accumulator Detail Report	Completed	 Delete	08/27/2013

At the bottom of the table, there is a 'Total results: 1' indicator and a 'Delete' button. A box labeled '8' points to the 'File' icon (PDF) in the 'File' column of the table.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

The Report will open.

Process

Search for an Accumulator Process

From the **ACCUMULATOR HOME** page:

1. Select the **PROCESSES** tab.

The screenshot shows the ARGUS ADST Company web application. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. The main content area has a breadcrumb trail: Home > Accumulator Home. A tabbed interface is present with tabs for Accumulator Home, Mass Change, Reporting, and Processes. The 'Processes' tab is selected and highlighted with a box containing the number '1'. To the right of the tabs is a 'New' button. Below the tabs is a search form with the following fields: Benefit customer set (dropdown), ID (text field with 'AM' in a small box), Name (text field), External ID (text field), and Status (dropdown). Below these fields is a link for 'Advanced Search Fields' and two buttons: 'Search' and 'Reset'.

All of the information on this page constitutes a trade secret, privileged or confidential information, as such terms are interpreted under the Freedom of Information Act and applicable case law. Copyright 2013 by Argus Health Systems, Inc.

2. Select the **BENEFIT CUSTOMER SET** drop-down menu and choose a customer set from the list.
3. Enter any additional search criteria desired.
4. Click the **SEARCH** button.

The screenshot shows the ARGUS Accumulator Home interface. At the top, there is a navigation bar with the ARGUS logo and a menu with options: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the navigation bar, there is a "Welcome," message and a "Jump to:" field with a "Go" button. On the right side, there are links for "Browse Requests" and "Close Window".

The main content area has a tabbed interface with four tabs: "Accumulator Home", "Mass Change", "Reporting", and "Processes". The "Processes" tab is currently selected. Below the tabs, there is a "New" button.

The search form is located on the left side of the "Processes" tab. It contains the following fields:

- Benefit customer set:** A drop-down menu with a blue arrow icon. An arrow points to this field with a box containing the number "2".
- Customer number:** A text input field with a blue arrow icon.
- Client number:** A text input field with a blue arrow icon.
- Group ID:** A text input field.
- Member ID:** A text input field.
- Request name:** A text input field.
- Request type:** A drop-down menu with a blue arrow icon.
- Request status:** A drop-down menu with a blue arrow icon.
- Run status:** A drop-down menu with a blue arrow icon.

Below the search fields, there is a link for "Advanced Search Fields" and two buttons: "Search" and "Reset". An arrow points to the "Search" button with a box containing the number "4".

There are also two other numbered callouts: an arrow points to the "Request name" field with a box containing the number "3", and an arrow points to the "Request status" field with a box containing the number "3".

5. Select the **REQUEST NAME** link.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this is a 'Welcome,' message and a 'Jump to:' field with a 'Go' button. The main content area has a breadcrumb trail: Home > Accumulator Home. On the right, there are links for 'Browse Requests' and 'Close Window'. The 'Processes' tab is selected, showing a table of requests. A box with the number 5 and an arrow points to the 'Request Name' column header. The table has columns: Created Date, Request Name, Request Type, Request Status, Run Status, and Created By. There are two rows of data. On the left, there is a search form with fields for Benefit customer set, Customer number, Client number, Group ID, Member ID, Request name, Request type, Request status, and Run status. There are also 'Advanced Search Fields', 'Search', and 'Reset' buttons.

Created Date	Request Name	Request Type	Request Status	Run Status	Created By
08/28/2013	Clear and Build for Training	Clear and Build	Pending		Mikki Coggs
08/28/2013	Batch Rollover for Training	Batch Rollover	Pending		Mikki Coggs

5

6. Select the **RUN HISTORY** tab.

The screenshot shows the ARGUS ADST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this, a 'Welcome,' message is displayed. To the right, there is a 'Jump to:' field with a 'Go' button and links for 'Browse Requests' and 'Close Window'. The breadcrumb trail shows 'Accumulator Home' and 'Process Request'. The 'Run History' tab is selected, indicated by a box with the number 6 and an arrow. The main content area displays request details for a 'Batch Rollover' request. The details include: Request type: Batch Rollover, Request status: Pending, Request name: Batch Rollover for Training, Benefit customer set: Training CBVS, Customer number: 1222 - CBVSTRAINING, Client number: 5000 - CBVSTSTCLNT, Group ID: 1285, Include members: All, Rollover amount: Both, Rollover option: Rollover All Accumulations, and Accumulator ID: AMTR000001. There are also sections for 'Selected accumulator types' and 'Selected accumulators' with empty input fields. At the bottom, there are dates for 'Rollover from start date' (07/01/2013), 'Rollover from end date' (07/15/2013), 'Benefit period begin date' (07/01/2013), 'Benefit period end date' (06/30/2014), and 'Accumulator ID' (AMTR000001). A 'Make Updates' button is located in the top right corner of the main content area.

Request type:	Batch Rollover
Request status:	Pending
Request name:	Batch Rollover for Training
Benefit customer set:	Training CBVS
Customer number:	1222 - CBVSTRAINING
Client number:	5000 - CBVSTSTCLNT
Group ID:	1285
Include members:	All
Rollover amount:	Both
Rollover option:	Rollover All Accumulations
Accumulator ID:	AMTR000001

Selected accumulator types:

Selected accumulators:

Rollover from start date: 07/01/2013
Rollover from end date: 07/15/2013
Benefit period begin date: 07/01/2013
Benefit period end date: 06/30/2014
Accumulator ID: AMTR000001

The PRELIMINARY Run History will display.

7. Click the **CLOSE** button to return to the home page.

The screenshot shows the ARGUS A DST Company web application interface. At the top, there is a navigation bar with links: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below this, a "Welcome," message and a "Jump to:" field with a "Go" button are visible. The main content area has a breadcrumb trail: Home > Accumulator Home > Process Request. There are links for "Browse Requests" and "Close Window". The "Run History" tab is selected, showing details for a "Batch Rollover for Training" request. The "Benefit customer set" is "Training CBVS" and the "Request type" is "Batch Rollover". Below this, there are "Preliminary" and "Final" buttons. A box with the number "7" and an arrow points to the "Close" button. The "Preliminary History" table shows a single entry with a "Failed" status, submitted by "Mikki Coggs" on "08/29/2013" at "10:40 AM". The table also shows the "Actual" start and end times. At the bottom, there are pagination controls and a "Total results: 1" message.

Add an Accumulator Process

The Accumulator application allows the user to add Accumulator Processes. To add Accumulator Processes, follow the steps below.

Manual Preload

From the **ACCUMULATOR HOME** page:

1. Select the **PROCESSES** tab.

The screenshot displays the ARGUS ADST Company Accumulator Home page. At the top, there is a header with the ARGUS ADST Company logo on the left, a navigation menu (Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, Help) in the center, and a 'Welcome,' message on the right. Below the header, there is a 'Jump to:' field with a 'Go' button. The main content area features a navigation bar with tabs: Accumulator Home, Mass Change, Reporting, and Processes. The 'Processes' tab is highlighted, and a box with the number '1' and an arrow points to it. Below the tabs, there is a search form with fields for Benefit customer set, ID, Name, External ID, and Status, along with a 'Search' button and a 'Reset' button. The top right of the page includes links for 'Browse Requests' and 'Close Window'.

2. Click the **NEW** button.

Deduct exclude copay:	No

Batch Rollover

From the **ACCUMULATOR HOME** page:

1. Select the **PROCESSES** tab.

The screenshot shows the ARGUS ADST Company web application interface. At the top, there is a navigation bar with the company logo and a menu with items: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the menu, a 'Welcome,' message and a 'Jump to:' field with a 'Go' button are visible. The main content area has a breadcrumb trail 'Home > Accumulator Home'. A box with the number '1' and an arrow points to the 'Processes' tab in a horizontal tab bar. The 'Processes' tab is currently selected. To the right of the tabs are links for 'Browse Requests' and 'Close Window'. Below the tabs, there is a 'New' button. On the left side of the main content area, there is a search form with the following fields: 'Benefit customer set:' (a dropdown menu), 'ID:' (a text field with a small 'AM' icon), 'Name:' (a text field), 'External ID:' (a text field), and 'Status:' (a dropdown menu). Below these fields is a link for 'Advanced Search Fields' and two buttons: 'Search' and 'Reset'.

3. Select the **PROCESS REQUEST TYPE** drop-down menu and choose Clear and Build from the list.
4. Click the **NEXT** button.

The screenshot displays the ARGUS ADST Company web application interface. At the top, there is a navigation bar with the company logo and a menu containing: Auth, Claim, Customer Setup, Plan Setup, Lists, History, Provider, Pharmacy, Drug, and Help. Below the navigation bar, a 'Welcome,' message and a 'Jump to:' search field with a 'Go' button are visible. The main content area features a breadcrumb trail 'Home > Accumulator Home' and a set of tabs: Accumulator Home, Mass Change, Reporting, and Processes (which is currently selected). A 'New' button is located in the top right corner of the main content area. On the left side, there is a form with fields for: Benefit customer set (dropdown), Customer number (dropdown), Client number (dropdown), Group ID (text input), Member ID (text input), Request name (text input), and Request type (text input). In the center of the main content area, a modal window titled 'Process request type:' is open, showing a dropdown menu with 'Batch Rollover' selected. A box labeled '3' points to this dropdown menu. Below the dropdown, there are 'Next' and 'Cancel' buttons. A box labeled '4' points to the 'Next' button.

16. Select the **AVAILABLE ACCUMULATOR TYPES**
17. Click the selection arrow to move the **ACCUMULATOR TYPES** to the **SELECTED ACCUMULATOR TYPES**.
18. Select the **AVAILABLE ACCUMULATORS**.
19. Click the selection arrow to move the Accumulators to the **SELECTED ACCUMULATORS**.
20. Enter the **ROLLOVER FROM START DATE**.
21. Enter the **ROLLOVER FROM END DATE**.
22. Enter the **BENEFIT PERIOD START DATE**.
23. Enter the **BENEFIT PERIOD END DATE**.
24. Enter the **ACCUMULATOR ID**.

The screenshot displays a software interface for managing accumulators. It features four main panels arranged in a 2x2 grid:

- Available accumulator types** (top-left): A list box for selecting accumulator types. An arrow labeled '16' points to this panel.
- Selected accumulator types** (top-right): A list box for the selected accumulator types. An arrow labeled '17' points to the selection arrow between the two top panels.
- Available accumulators** (bottom-left): A list box for selecting individual accumulators. An arrow labeled '18' points to this panel.
- Selected accumulators** (bottom-right): A list box for the selected accumulators. An arrow labeled '19' points to the selection arrow between the two bottom panels.

Below the panels, there are five input fields with corresponding labels and arrows:

- Rollover from start date:** Input field with arrow '20'.
- Rollover from end date:** Input field with arrow '21'.
- Benefit period begin date:** Input field with arrow '22'.
- Benefit period end date:** Input field with arrow '23'.
- Accumulator ID:** Input field with a dropdown menu (currently showing 'AM') and arrow '24'.
